

Special eTakeoff Pricing

With the release of eTakeoff Advanced we are offering special pricing through May 7, 2012.

For Users of eTakeoff Basic (Free)

This is the version McGraw-Hill Construction Dodge users have unless they have purchased a license. It has the capabilities of eTakeoff Pro when working with Dodge files.

- You may purchase eTakeoff Pro at its current price of \$499.00. After April 30, 2012 Pro will not be available for purchase.
- You may purchase eTakeoff Advanced for \$750.00 - \$200.00 off the \$950.00 list price.
- You may purchase eTakeoff Premier for \$1,495.00 - \$400.00 off the \$1,895.00 list price.

For Users with an eTakeoff Pro License

- You may continue to use eTakeoff Pro
- You may upgrade to eTakeoff Advanced for \$250.00 - \$200.00 off the \$450.00 upgrade price.
- You may upgrade to eTakeoff Premier for \$995.00 - \$400.00 off the \$1,395.00 upgrade price.

For Users with an eTakeoff Pro-Plus License

- You may continue to use eTakeoff Pro-Plus
- You may switch to eTakeoff Advanced for no charge. Advanced has several features not included in Pro-Plus but it does NOT include Extension creation and has limited Excel integration.
- You may upgrade to eTakeoff Premier for \$495.00 - \$400.00 off the \$895.00 upgrade price.
